CONSULTANCY SERVICES FOR A STUDY ON HARMONISATION OF PETROLEUM POLICIES, LAWS, REGULATIONS AND INSTITUTIONAL FRAMEWORKS IN THE ECOWAS REGION

1. Introduction

The African Development Bank (AfDB) places renewed emphasis on Natural Resources Management as a transformational platform, emphasizing the role of natural resources in widening access to resources, promoting inclusive growth and transitioning to green growth. In order to respond to the challenges facing sustainable management and use of Africa's natural resources, the AfDB created the African Natural Resources Center (ECNR). The ECNR is a non-lending knowledge building entity whose mandate is to assist African governments maximize development outcomes derived from natural resources by boosting the capacity of the governments to achieve inclusive and sustainable growth
