National Competitive Bidding (NCB)

Credit No.: IDA-70150

INVITATION FOR BIDS

The Federal Government of Nigeria has received financing from the World Bank toward the cost for the implementation of Agro-climatic Resilience in Semi-Arid Landscape (ACReSAL). The Project is implemented in the State by the State Project Implementation Unit (SPIU). It is intended that part of the proceeds of this loan will be applied to eligible payments for works, services and supply contracts in FCT. The Project is Specifically designed to build peoples resilience in the adaptation of climate change in the FCT.
