1. Introduction

CBM Global Disability Inclusion works alongside people with disabilities in the world's poorest places to fight poverty and exclusion and transform lives. We work in over 20 countries, investing in long-term, authentic partnerships with the Disability Movement and multiplying our impact by delivering a combination of inclusive community-based programmes, advocacy for national and global policy change and inclusion advice to other organisations. CBM Global has been supporting the Nigerian government through various implementing partners in interventions, such as eye health, mental health, obstetric fistula, humanitarian services and disability-inclusive development.
