MANAGEMENT (MHM) KITS

About CATAI

Founded in 2018, CATAI has been on a mission to enhance service delivery through citizen empowerment while promoting a just society across Nigeria through advocacy, innovation, and capacity strengthening. CATAI supports marginalized and vulnerable communities to have better access to essential services and to actively participate in democratic governance structures.

CATAI is committed to driving improved WASH practices, particularly for women and adolescent girls, ensuring dignity, health, and protection during menstruation.
