

CCM NIGERIA

COUNTRY COORDINATING MECHANISM, NIGERIA (CCMN) - THE GLOBAL FUND

1. INTRODUCTION

The COUNTRY COORDINATING MECHANISM (CCM), Nigeria is a Public Private Partnership organization that was established primarily to support the mobilization of resources from The Global Fund to fight the scourge of the HIV/AIDS, Tuberculosis and Malaria as well as to support the Resilient and Sustainable System for Health. CCM Nigeria is also responsible to provide oversight of the grant implementation to ensure that resources are utilized effectively and efficiently.
