

INVITATION TO TENDER

PRINTING OF INFORMATION EDUCATION AND COMMUNICATION (IEC) MATERIALS

DISPUTE RESOLUTION AND DEVELOPMENT INITIATIVE (DRDI) in partnership with Plan International Nigeria, Save the children international and save the child initiative with funding from European Union is implementing “ Accelerating Basic Education and Livelihood Opportunities for Children and Youth in North Western Nigeria (Jigawa, Kano and Sokoto states)” with aim to support education and youth empowerment in North-West Nigeria by providing youth, in particular girls in rural underserved and nomadic communities, with access to inclusive gender transformative and conflict sensitive equitable quality education and skill development.

The project partners will work in close collaboration with relevant federal agencies, State Ministry of Education, state agency for mass education (SAME), State Universal Basic Education Board (SUBEB) and other government institutions and Civil Society Organisations (CSOs) in the development and implementation of the project activities. This will ensure buy-in and sustainability. The project will identify and provide new sources of employment and livelihood opportunities including green jobs, through vocational training and a labour market and income generation assessment. The key crosscutting priorities of gender equality, youth and disability inclusion are mainstreamed across all activities and outputs by working with youth, women including persons with disabilities (PwD) focused organisations.
