REQUEST FOR EXPRESSIONS OF INTEREST FOR NEEDS ASSESSMENT AND
CURRICULUM DEVELOPMENT

NIGERIA

BUILDING RESILIENT DIGITAL INFRASTRUCTURE FOR GROWTH - BRIDGE

PROJECT NUMBER: P508383

Assignment Title:

Engagement of Consultancy for the Baseline Skills, Capacity Needs Assessment and the
Development of A National Training Programme For Project Bridge

Reference No. (as per Procurement Plan): NG-FMCIDE-528979-CS-CQS

The Federal Government of Nigeria (the "Government") has applied for financing from the World Bank towards the cost of the 'Building Resilient Digital Infrastructure For Growth - Bridge', a Project aimed at deploying a 90,000km Fibre Optic Network. This will be structured as a Public Private Partnership (PPP) implemented through a Special Purpose Vehicle (the "SPV") company. The Government intends to apply part of the proceeds for Needs Assessment consulting services.
