ISSUED BY THE GLOBAL ALLIANCE FOR IMPROVED NUTRITION (GAIN)

The Global Alliance for Improved Nutrition (GAIN) is a Swiss based foundation launched at the UN in 2022 to tackle the human suffering caused by malnutrition. Working with both governments and business, we aim to transform food systems so that they deliver more nutritious food for all people. At GAIN, we believe that everyone in the world should have access to nutritious and safe food. We work to understand and deliver specific solutions to the daily challenge of food insecurity faced by poor people.
