

## REQUEST FOR PROPOSALS (RFPs)

### THE ENGAGEMENT OF TAX CONSULTANCY

ISSUED BY: GLOBAL ALLIANCE FOR IMPROVED NUTRITION (GAIN)

PROJECT DURATION: TAX CONSULTANCY JANUARY - MARCH 2026

#### I. Background

The Global Alliance for Improved Nutrition (GAIN) is an alliance driven by the vision of a world without malnutrition. Created in 2002 at a Special Session of the UN General Assembly on Children, GAIN supports public-private partnerships to increase access to the missing nutrients in diets necessary for people, communities, and economies to be stronger and healthier.

GAIN Nigeria operates across multiple states in Nigeria and is required to comply with all applicable federal and

state tax laws, including remittance of Pay-As-You-Earn (PAYE), Withholding Tax (WHT), and other statutory

deductions to the Federal Inland Revenue Service (FIRS) and relevant State Internal Revenue Services (SIRS).

A review of GAIN Nigeria's tax records has identified outstanding balances, reconciliation gaps, and remittance

discrepancies with FIRS and several State Internal Revenue Services. To address these issues and strengthen

ongoing tax compliance, GAIN Nigeria seeks to engage a qualified and experienced Tax Consultancy firm to provide professional support in resolving historical and current tax remittance matters.
