INTRODUCTION TO GPON

GOAL PRIME ORGANIZATION NIGERIA (GPON) is a policy-driven humanitarian, non-governmental organization that implements her program through revitalized partnership. It seeks to improve the lives of vulnerable people especially in the face of disaster or crises. GPON is presently operating in the Northeastern and Northwest regional part of Nigeria where we have—reached over 2,000,000 people, especially women and children in IDP camps, returnee population and those in host communities with relief materials, child protection services, GBV mitigation services, livelihood skill-building, health services, and Education support services.
