REQUEST FOR PRE-QUALIFICATION OF VENDORS

MARCH 6, 2024.

HANDS is a national NGO that is committed to bringing relief to persons affected by neglected tropical diseases and disabilities across Nigeria by applying best health-based practices and services. The head office is in Jos, Plateau State. At this time, HANDS is seeking the services of competent vendors to come for pre-qualification. Prior to this process, vendors are called upon to declare their interest by requesting for the prequalification document either directly from the head office or to be sent to them via email.
