REQUEST FOR PRE-QUALIFICATION OF VENDORS

JANUARY 15, 2026

HANDS is a national NGO that is committed to bringing relief to persons affected by neglected tropical diseases and disabilities across Nigeria by applying the best health-based practices and services. We also render eye care, reproductive health, clubfoot treatment, humanitarian services, and management services. The head office is in Jos, Plateau State. At this time, HANDS is seeking the services of competent vendors for pre-qualification. Interested vendors are called upon to declare their interest by requesting the pre-qualification document either directly from the head office or via mail.
