KADUNA INVESTMENT PROMOTION AGENCY (KADIPA)

INVITATION FOR EXPRESSION OF INTEREST (EOI) FOR THE MANAGEMENT AND OPERATION OF LOUNGE SERVICES AT KADUNA INTERNATIONAL AIRPORT, KADUNA, NIGERIA

As part of the continuing development of the Kaduna International Airport to offer passengers world- class facilities and services, the airport is currently redesigning the commercial areas in its Terminals.

These commercial areas will offer passengers a modern lounge, with shopping and facilities for food and beverage, and internet services, within a friendly environment as applicable at modern international airports.

The objective of the new commercial concept is to give the airport a vibrant image with a true experience of better passenger comfort and shopping facilities, thereby allowing the concessionaire to increase performance and non-aviation revenues.
