LASG/LAMATA/AFD/C5/IPC/QCBS/CIPD/04-21

DATE: 20TH MARCH, 2020

The Lagos State Government through the Federal Republic of Nigeria has received financing from Agenco Française de Développement (“**AFD**”) for the Lagos Strategic Transport Master Plan Project (LSTMPP 1) and intends to use part of the funds thereof for payments under the following service: **Consultancy Services for the Development of Freight Regulatory Policy Framework for Lagos State.**

Objective and Outputs of the Consultancy

The Lagos Metropolitan Area Transport Authority (LAMATA) aims to establish a robust legal foundation for effective implementation and enforcement of freight and logistics regulations. The goal is to enhance efficiency, safety, and sustainability while minimizing inefficiencies and bureaucracy, strengthening security, and promoting environmentally friendly practices. The framework will support infrastructure development, drive technological innovation, and ensure clear compliance and enforcement mechanisms. Additionally, it aims to encourage stakeholder collaboration, invest in workforce development, and align with broader policy objectives such as economic growth.
