INVITATION TO TENDER: CONSTRUCTION OF THE INTERIOR FOR AN EXISTING WAREHOUSE IN SOKOTO

MÉDECINS SANS FRONTIÈRES provides assistance to populations in distress, to victims of natural or man-made disasters and to victims of armed conflict. They do so irrespective of race, religion, creed or political convictions. Médecins Sans Frontières observes neutrality and impartiality in the name of universal medical ethics and the right to humanitarian assistance and claims full and unhindered freedom in the exercise of its functions. MSF OCA (Holland) in Nigeria would like to invite interested construction companies to request a tender package in order to construct the interior for an existing warehouse in Sokoto.
