

MINES ADVISORY GROUP (MAG)
REQUEST FOR QUOTATION - RFQ FOR INTERNET SERVICE PROVISION

The Mines Advisory Group (MAG) is a global humanitarian and advocacy organisation that finds, removes and destroys landmines, cluster munitions and unexploded bombs from places affected by conflict.

MAG also provides education programmes, particularly for children, so people can live, work and play as safely as possible until they clear the land. And we work in communities to reduce the risk of armed violence through weapons and ammunition management programmes which keep guns and munitions safe and secure.
