

NATIONAL INSTITUTE FOR CANCER RESEARCH AND TREATMENT (NICRAT)
EXPRESSION OF INTEREST FOR THE IMPLEMENTATION OF 2024 PROCUREMENT ACTIVITIES

1. INTRODUCTION

National Institute for Cancer Research and Treatment (NICRAT) was established by the federal government to provide national leadership in cancer research, treatment and control in Nigeria. the NICRAT Establishment Act 2017 also empowers the institute to guide scientific improvement to cancer prevention, treatment and care; and to among others, coordinate and liaise with the wide range of groups and healthcare providers with interest in cancer. The institute in line with her mandates wishes to invite interested, competent and reputable contractors and consultants with relevant experience and good record of accomplishment for the procurement of the under-listed:
