1. In line with the vision and promise of His Excellency, Hon. Umaru Mohammed Bago. The Executive Governor of Niger State on Urban renewal and modernization, quality healthcare access, and making and also the realization of the effective medical college in the IBB University, the new administration has approved the conversion of the old Shiroro Hotels, Minna into a State-of-the-art Ibrahim Badamasi Babangida University (IBB) Teaching Hospital. This project is a crucial part of the health care delivery policy of the administration and crucial in securing final approval to effectively set up the medical college in the University.
