1.0 INTRODUCTION

1.0 Background

The NIGERIA INGO FORUM (NIF) is an interagency network of international NGOs, established in 2014 to facilitate the coordination and cooperation of humanitarian aid and development between and among INGOs and external stakeholders in Nigeria.

As an initiative of the Nigeria INGO Forum (NIF), PLRCAP was launched in November 2019 as a demand-driven institutional capacity strengthening program, targeting Nigerian NGOs working in humanitarian contexts of Nigeria. To scale its activities, PLRCAP has launched an NGO Support Hub as the “go to” place for Nigerian NGOs to strengthen their organizational capacities.
