

THE FEDERAL MINISTRY OF POWER IN COLLABORATION WITH THE NIGERIAN
ENERGY SUPPORT PROGRAMME (NESP)
CALL FOR EXPRESSION OF INTEREST: TRAINING FOR SOLAR MINI-GRID DEVELOPERS

1.0 INTRODUCTION

The Nigerian Energy Support Programme (NESP) is a technical assistance programme co-funded by the European Union and the German Federal Ministry for Economic Cooperation and Development (EMZ) and implemented by the Deutsche Gesellschaft for Internationale Zusammenarbeit (GIZ) GmbH in collaboration with the Federal Ministry of Power (FMP).
