MANAGEMENT ORGANIZATION (HMO) TO MANAGE THE HEALTH SCHEME FOR OXFAM IN NIGERIA.

OXFAM seeks to identify professional and affordable healthcare service providers who can provide a network of health facilities meeting international healthcare standards. Oxfam in Nigeria currently has a total of 56 staff principally based in Abuja, Adamawa, and Taraba States of Nigeria. While OXFAM's administrative office is in Abuja, the majority of OXFAM programming is in the northern states; the selected healthcare provider must be
