Palladium is a global leader in the design, development and delivery of positive impact- the intentional creation of enduring social and economic value. We work with foundations, investors, governments, corporations, communities and civil society to formulate strategies and implement solutions that generate lasting social, environmental and financial benefits. For the past 59 years, we have been making positive impact. With a team of more than 2,500 employee's operating in 90 plus countries and a global network of more than 35,000 technical experts, palladium has improved- and is committed to continuing to improve- economies, societies and most importantly, people's lives.
