DATE: 08/08/2025

QATAR CHARITY is a Doha-based non-governmental organization founded in 1992 in accordance with the laws and regulations governing charitable work in the State of Qatar. The Qatari society was expressing a deep willingness to contribute to the international solidarity chain and to participate in addressing the most important development and humanitarian challenges faced by vulnerable communities around the world. This willingness was derived from the Qatari society's values, principles and cultural heritage and Qatar Charity came as the institutional solution that would cater to it. Initially founded to provide life-saving assistance to children affected by conflicts or natural disasters, Qatar Charity then expanded its areas of expertise to include various humanitarian and development aid fields, providing relief and assistance to more than 110 million beneficiaries worldwide. With funding from the Qatar, Qatar Charity is collaborating with the government of Nigeria (GON) to support vulnerable communities in achieving progress and prosperity by providing adequate support for vulnerable communities through robust social welfare systems and related services in various states within Nigeria.
