CONSULTANCY STUDY FOR VULNERABILITIES AND CAPACITIES FOR RESILIENCE AND ADAPTATION TO CLIMATE CHANGE- RESILAC²

Action Against Hunger (ACF) is a global, independent and non-for profit humanitarian organization dedicated to combating hunger and malnutrition in all its forms, while ensuring communities' access to safe water, food, nutrition and livelihoods.

As of 2024, the ACF International Network operates in 56 countries, providing support to vulnerable communities worldwide.
