

RURAL ELECTRIFICATION AGENCY  
REA RESEARCH & INNOVATION  
CALL FOR RESEARCH

1.0 INTRODUCTION

The Rural Electrification Agency (REA) invites you to the Call for Research (CFR) small grant awards that aims to catalyse rural electrification. While the sole mission of the Rural Electrification Agency (REA) is to provide access to reliable electric power supply for rural dwellers in Nigeria, the REA Research and Innovation initiative seeks to build an ecosystem of partnerships with impact funding to stimulate innovative solutions/technologies, towards improving agricultural productivity and other socio-economic infrastructure such as Health, Water, Transport, Education, Communication, as well as prototype devices and solutions that will address Rural electrification challenges in rural communities of Nigeria.
