1. BACKGROUND

The United State Government (USG) through the Global Health Supply Chain Program – Procurement and Supply Management project (GHSC_PSM) project in Nigeria, implemented by Chemonics International Inc., funds the procurement and supply management and technical assistance for a range of public health commodities. These commodities include HIV, Malaria, Tuberculosis, Family Planning, Maternal, Newborn and Child commodities and Rapid Tests Kits delivered to health facilities in the 36 states and the Federal Capital Territory supported by USG. Chemonics International Inc.
