

SAVE THE SLUM INITIATIVE (STSI)  
EDP SOLAR BOREHOLE REHABILITATION PROJECT  
REQUEST FOR QUOTATION FOR THE SUPPLY OF SOLAR EQUIPMENT, WATER  
SYSTEMS AND CIVIL WORKS FOR BOREHOLE REHABILITATION PROJECT.  
INVITATION TO QUOTATION

Save the Slum Initiative (STSI), a non-profit, non-governmental organisation established in 2016 and dedicated to improving the welfare and protection of vulnerable populations in Nigeria, is implementing the EDP Solar Borehole Rehabilitation Project. This project aims to provide sustainable access to safe water through solar-powered borehole systems in underserved communities across Nigeria. STSI invites qualified suppliers and contractors to submit competitive quotations for the supply of equipment, materials, and labour services required for the complete implementation and installation of this project.
