

SEPLAT WEST LIMITED

ON BEHALF OF THE NEPL/SEPLAT JOINT VENTURE)

TENDER OPPORTUNITY:

PROVISION OF CORROSION CONTROL & PREVENTION CALL-OFF SERVICES FOR SEPLAT ENERGY PLC. JV OPERATIONS

NIPEX NUMBER - SEPLAT.00000123

1. INTRODUCTION:

SEPLAT Energy the operator NEPL/SEPLAT Joint Venture invites interested reputable and pre-qualified contractors with relevant experience for this tender opportunity for “Provision of Corrosion and Prevention Call-Off Services”.

This contract aims to provide corrosion prevention and control services to proactively establish robust barriers to prevent equipment failure due to corrosion and mitigate corrosion risk exposure throughout the asset life cycle.

The contract will leverage data from the corrosion condition monitoring (CCN) contract to enhance the integrity maintenance of the production assets in line with regulatory and industry expectations. It will focus on corrosion related maintenance activities, including fabric maintenance coating, cathodic protection system design, installation and maintenance.
