1. INTRODUCTION

SIRRI CARE FOUNDATION SIRRI CARE FOUNDATION (SIRRI CARE) is a Women-Led Non-Governmental Organization (NGO) established in 2019 and formally incorporated in 2020. As a dedicated humanitarian organization, Sirri Care Foundation is committed to addressing the needs of vulnerable populations and fostering positive developmental change in underserved and crisis-affected communities. Our mission is rooted in the principles of empowerment, prevention, and protection, with a focus on uplifting the most vulnerable members of society, particularly women, children, and marginalized groups. By implementing targeted interventions, we strive to create sustainable solutions that enable communities to rebuild, thrive, and achieve resilience in the face of challenges. Sirri Care Foundation adopts a holistic approach to development by engaging in key areas such as Advocacy and Awareness Creation, Education, Healthcare, and Research. Through these pillars, we aim to tackle systemic issues, promote social inclusion, and drive impactful change that contributes to the overall well-being and empowerment of individuals and communities. As a Women-Led organization, Sirri Care Foundation is uniquely positioned to champion gender equality and inclusivity, ensuring that women, girls and persons with disability are not only protected but are also provided with the tools and opportunities to lead transformative change within their societies. Mission, Sirri Care is dedicated to safeguarding, preempting, and empowering women and girls.
