REFERENCE: BC/00509

DESCRIPTION :

Nigeria is the British Council's largest operation in sub-Saharan Africa with offices in 4 cities - Port Harcourt in the south, Kano in the North, Abuja the Federal Capital and Lagos the commercial centre. We also have a number of project offices across the country. Our 200 staff work across a range of states delivering large scale contracts, partnership programmes, examinations, projects as well as services in Arts, Education & Society and English & Exams. We, therefore, need to source staff with a range of different skills, for work in both commercial and not-for-profit areas.
