1.0 ABOUT GAIN

The Global Alliance for Improved Nutrition (GAIN) is a Swiss-based foundation launched at the United Nations in 2002 to tackle the human suffering caused by malnutrition. Working with governments, businesses, and civil society, we aim to transform food systems so that they deliver more nutritious foods for all people, especially the most vulnerable.

At GAIN, we believe that everyone in the world should have access to nutritious, safe, and affordable food. Today, one in three people - drawn from nearly every country on the planet - are unable to consume enough nutritious food. We work to develop and deliver solutions to this daily challenge.
