

UNDP

DRILLING OF MIDDLE-AQUIFER SOLAR-POWERED BOREHOLE - 2 LOTS

INVITATION TO BID

REFERENCE: UNDP-NGA-01105

BENEFICIARY COUNTRIES OR TERRITORIES: NIGERIA

REGISTRATION LEVEL: BASIC PUBLISHED ON: 22-APR-2025

DEADLINE ON: 06-MAY-2025 12:00 (GMT -4.00)

Description

The United Nations Development Programme (UNDP) has launched an impactful project to address the urgent water supply needs in Ngala and Gwoza, Borno State. This initiative involves drilling a middle aquifer, solar-powered borehole and implementing reticulation works to alleviate the water challenges faced by these communities.
