Dear Applicant:

The USAID/Nigeria Lagos Urban WASH Activity (LUWASH) is a five-year program which seeks to expend and improve urban WASH service delivery and infrastructure in Lagos. The goal of the project is to increase the availability and sustainable management of safe and climate-resilient water and sanitation services in Lagos. The project aims to expend and improve WASH service delivery and

infrastructure through strengthened governance, increased accountability and improved financial and technical capabilities of public water utilities and private sector providers.
