

WATERAID

SUBJECT: CALL FOR TENDER – SUPPLY OF A TOYOTA HILUX 24/25 MODEL

LOCATION: BAUCHI STATE

WaterAid is an International not-for-profit organization committed to a vision where everyone, everywhere has access to safe and sustainable water, sanitation, and hygiene. By improving access to clean water, adequate sanitation, and good hygiene practices, we empower individuals to break free from the cycle of poverty and disease, enabling them to unlock their potential and transform their lives for the better. Our work involves collaboration with partners and engagement with decision-makers to maximize our impact. Since 1996, WaterAid has been actively working in Nigeria, partnering with the government and local communities to promote sustainable access to water, sanitation, and hygiene solutions.
