

## REQUEST FOR PROPOSAL SUBMISSION

### CONSULTANCY TO CONDUCT A STUDY ON EFFECTIVE PUBLIC WATER SUPPLY AND SELF-SUPPLY THROUGH BOREHOLE DRILLING IN THE FCT

WATERAID NIGERIA, in partnership with the FCT Water Board, invites qualified consultants to conduct a study on effective public water supply and the prevalence of self-supply through borehole drilling in the Federal Capital Territory (FCT).

The study will assess public water supply coverage, network capacity, borehole proliferation, relevant policies, private sector involvement, and provide recommendations to strengthen sustainable public water supply systems
