CONSULTANCY - TECHNICAL ASSESSMENT - WASH INFRASTRUCTURE, ACCESSIBILITY, SAFETY, AND ENVIRONMENTAL ASSESSMENT IN HEALTH FACILITIES, SCHOOLS & COMMUNITY PUBLIC SPACES.

Description

WaterAid Nigeria invites qualified individual consultants and consulting firms to submit an Expression of Interest (EoI) to undertake a WASH Infrastructure, Accessibility, Safety, and Environmental Assessment in Health Facilities, Schools, and Community Public Spaces, in line with the attached Terms of Reference (ToR).

Interested consultants are requested to submit the following documents:

A technical proposal (maximum of four [4] pages) outlining the proposed approach, methodology, and understanding of the assignment.

A detailed financial proposal indicating the proposed budget for the assignment.

Evidence of relevant experience in conducting similar WASH-related assessments or research, including references and/or links to previous work.

Summary CVs of the lead consultant and key team members who will be engaged in the assignment.

All submissions will be assessed using predefined evaluation criteria by a review panel comprising technical experts from WaterAid Nigeria.
