The West African Center for Public Health and Development (WACPHD), an affiliate of the University of Manitoba, is a non-governmental organization dedicated to improving health equity through research, program delivery, technical assistance, and education. We are soliciting quotations for the rental of vehicles to support the Family Planning/MNCH- Supply Side Baseline Assessment (FP/MNCH-SSBA) project funded by the Bill & Melinda Gates Foundation (BMGF). The purpose of this RFQ is to identify and engage a qualified vendor that can provide reliable transportation for project activities in Lagos.
