

REQUEST FOR AN IT FIRMS TO DEVELOP A WIDOWS' DATABASE AND HR SOFTWARE.
AND JOB VACANCIES FOR QUALIFIED INDIVIDUALS.

The WIDOWS AND ORPHANS EMPOWERMENT ORGANIZATION (WEWE), a women-led, local, faith-based NGO is seeking a database developer to help develop its Widows Database. WEWE is also seeking qualified firms with experience in HR management software development to help develop its HR Management Software. Firms should provide examples of previously developed jobs for similar organizations, which WEWE will verify by contacting the previous users.
